

GAC Husbandry Services

Delivering the best care possible to vessels and crew globally

Centralised co-ordination, standardised rates and simple administrative procedures for optimum efficiency.

Delivering your strategy.

As your global husbandry agent, GAC has your interests at heart at all times. Our speedy and well co-ordinated delivery of a wide range of husbandry services during your port call simplifies matters, ensuring efficient vessel turn-around.

Full package of services

Available at more than 1,000 ports worldwide, our wide range of services at competitive prices are tailored to meet your individual requirements. From cash to master, ship spares, crew changes, to medical services, mail delivery and despatch, we deliver promptly and professionally, ensuring that your vessel and your crew receive

the best care possible in port.

Fast, transparent and standardised

With GAC Husbandry Services, a single point of contact streamlines communications with our staff worldwide. All your husbandry requirements can be taken care of simply, through a single phone or email contact.

Our services package is easily customised to your needs thanks to flexible “pay-as-you-go” pricing model. Adding to that, our standardised rates and operational procedures across countries simplify accounting and administrative burden,

allowing you to focus on your core business.

Professional team

Our dedicated team of professionals provides round-the-clock support and assistance to meet your needs on time, every time.

GAC’s rich operational experience, in-depth knowledge of local regulations and strong relationships with local suppliers and authorities enable us to deliver value-for-money solutions to maximise cost efficiency without compromising quality.
