

GAC Sri Lanka Ship Supply Services

Round-the-clock services to ensure your needs are met

We know time and money are your key considerations. That is why we tailor our services to help you keep both in check.

Delivering your strategy.

GAC Sri Lanka operates round-the-clock to provide fast and safe delivery of ship supplies and crew changes in the busy sea lanes off Colombo and southern Sri Lanka, without requiring the vessels to divert from their course.

Multipurpose fleet in strategic locations

Operating from bases in Galle and Colombo, GAC's own fleet of steel hulled, fully air-conditioned launches ensures that crew and supplies are transported in a safe and efficient manner.

We serve everything from heavy cargo delivery, crew changes to requirements of cargo inspectors,

surveyors, or anyone who needs to board a vessel off the coast of Sri Lanka. Our 24/7 service also allows us to respond to emergency situations swiftly.

Crew support services

Our experienced team of professionals provides a 24-hour "meet and greet" service at Colombo international airport, including prompt immigration and customs assistance, ensuring all arriving and departing crew members receive the best care possible.

Ship spares management

We specialise in deck-to-deck and door-to-deck ship spares delivery,

making sure that spares reach the vessel efficiently.

What makes our ship supply services special

- 24/7 operation
- Cost efficient - no vessel deviation, no port costs involved
- Daily flights to all international destinations
- Simple immigration process
- Fast clearance and delivery of spares, stores and mail
- Steel hulled, fully air-conditioned crew supply boats
- Application of the highest safety standards
- ISO certified Quality Management System
